Warehouse Person

Company Background

Acrastyle Limited is an electrical engineering company which designs, manufactures and tests high-voltage substation protection and control equipment. Since 1962 we have earned a unique reputation for superior product quality, outstanding technical expertise and excellent customer service.

Role

An exciting opportunity has arisen within Acrastyle for a Warehouse Person in our Warehouse department.

The role primarily involves managing and maintaining stock items to ensure smooth delivery of projects.

The ideal candidate would be someone with good attention to detail who enjoys working as part of a team, and who can establish positive working relationships. We are willing to provide training to the right candidate.

This opportunity would suit someone who has a willingness to learn and has an interest in the manufacturing/engineering industry.

As an Equal Opportunities employer we welcome applications from all suitably qualified persons regardless of their race, sex, disability, religion/belief, sexual orientation or age.

We have the right to close this vacancy early if a

Responsibilities include, but not limited to:
